14. 다음 글의 제목으로 가장 적절한 것은?

Looking forward to the decade of the 2000's, one wonders what personal qualities will be needed for success. Possibly the four essential attributes are flexibility, honesty, creativity, and perseverance. First, our rapidly changing society requires flexibility - the ability to adapt oneself to new ideas and experiences. Next, honesty, the capacity both to tell and to face the truth courageously, will be important in all aspects of personal and public relations. In addition, creativity will be required to meet the constantly changing world around us. Finally, perseverance, the ability to hold on at all costs, will be required in a society where competition for space, food, and shelter will increase with a growing population.
