I would like to express my concern at the growing number of lottery games in this country. ㉠. First, the people who run the lotteries are taking substantial amounts of money away from people, many of whom are old and can least afford to ㉡ it. The elderly couple down the street from me, for example, spent over \$20 on lottery tickets last week, and they have only their ㉢meager social security checks to support them. Second, while I do not object to gambling in principle, I feel that this particular kind, where no skill is required on the part of the player, is especially offensive to the intellect. Finally, the places where lottery tickets are sold often attract undesirable people to otherwise quiet neighborhoods. In conclusion, I wish to express my opinion that lottery games of all types should be ㉣.

문 37. 빈칸 ㉠에 들어갈 가장 알맞은 것은?

- ① I am addicted to lottery games myself
- ② I want to suggest some ways to win a bet
- ③ There are many steps to play lottery games
- ④ There are several reasons why I object to this kind of gambling
- ⑤ The number of people who buy lottery tickets increases very rapidly
